Guidelines

Keep it simple! The ad tiles are small, so the more information that you put into an ad, the smaller it will be--and very likely too small to read. Each tile will link to either an external site of your choosing or initiate a PDF/JPG download of a larger advertisement.

Below is an example of a complex ad turned simple for use on the website.

Only choose 2-3 of the items below to include in your ad.

- LOGO
- TAGLINE
- PHONE NUMBER/EMAIL
- CAPTION
- IMAGE
