

Program Supervisor of Outpatient Therapy/Case Management – LMSW

Full Time, Day Shift

Do you have a passion for improving the health of individuals receiving behavioral health services? Are you looking for work/life balance and an excellent benefit package? Would you like to be a valuable member of a diversity driven, mission-minded team that impacts our community? If so, we have an exciting opportunity for you to work as **Program Supervisor of Outpatient Therapy/Case Management!**

What You Will Be Doing

Working as a **Supervisor** for our **Outpatient Therapy and Case Management** programs, monitoring and providing limited services to assure excellence in services for youth with Severe Emotional Disturbance and their families. You will provide supervision for both teams as well as limited direct service. Duties may include assuring high quality intake assessments, outpatient counseling, and case management services to youth and families, coordination and assignment of services to a variety of consumers within the system of care. Position also is responsible for a variety of documentation reviews each day, crisis consultation, and a high degree of coordination with other treatment teams.

What We Require

You should have previous experience working with persons of diverse racial, ethnic, and cultural backgrounds, demonstrate a high degree of clinical skills, demonstrate methodical problem solving, and be able to work in an often stressful, fast-paced work environment. **Master's degree in Social Work, LMSW licensure** and a minimum of five years' experience working with youth with serious emotional disturbance and their families is required. Two years administrative and supervisory experience in a mental health setting is preferred. A valid Michigan Motor Vehicle Operator's license is required. Refined skills and experience working with electronic health records and excel/outlook is needed.

Who We Are
