

Position Vacancy Notice

Access & Emergency Services Specialist

Multiple shifts (3rd, 4PM – 2AM, casual) available. Responsible for completing telephonic or in-person clinical screenings and/or brief assessments of children, adolescents, adults, and families requesting behavioral health services. Makes determination of appropriate level of care and eligibility for referrals to the public behavioral health system, which may include acute care services, specialty mental health services, substance use disorder services, or diversion to alternative non-specialty mental health services.

Qualifications

Minimum of a bachelor's degree in social work, with current Michigan Social Work license required. Prefer a minimum of two years of experience in the behavioral health field providing services to children/adolescents and/or two years of experience working with people who have intellectual and developmental disabilities. Must be proficient in the use of technology and possess a high level of customer service skills/phone etiquette. Prior experience completing mental health evaluations and an understanding of clinical diagnoses based on the current DSM V is required. Familiarity with managed care philosophy, systems and procedures is preferred.

Salary

Salary range of \$42,538 - \$53,516 plus exceptional fringes including employer sponsored training, pension, and insurance. **\$1,000 signing bonus!**

Contact

Send cover letter and resume to: Human Resources Director, Bay-Arenac Behavioral Health, 201 Mulholland, Bay City, MI 48708 or BABHA-HR@babha.org.
